2017 is Most Successful Fundraising Year to Date!

FRIENDS Annual Meeting

The Friends of the Dripping Springs Community Library held its Annual Meeting on Thursday, March 1 and presented the DS Library with its largest donation to date! Friends Board President, John Hoag, reported that 2017 was the most successful year in fundraising to date and was happy to present Marcia Atilano, Library Director with a \$17,500 gift. Thanks to an increase in new and renewed Friends memberships, as well as continued community support of the annual fundraiser, Pouring Over

Books, the Friends were able to increase its annual donation.

Another special highlight of the evening was the new book presentations. Each year, Board members get to pick a book to be added to the library's collection. From children's to young adults' titles, to fiction and nonfiction favorites, the Board members always have fun sharing some of their personal favorite reads. Go check them out soon!

Lastly, the Friends were grateful for the dedicated service of three retiring Board members. Karen Crowther, Kay Lynn McNabb, and Dominique Couto-Levens. They will be missed at the board table but will be lifelong friends of the library.
